THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves.

No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered, by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS! CHILDREN CURE YOUR FATHERS! This remedy is in no sense a nostrum but a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "CURE" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. **DO NOT WAIT.** Do not be deluged by apparent and misleading "improvement." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effective than he others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. H 612 EDWIN B. GILES & CO., 2330 and 2332 Market Street, Philadelphia.

AMUSEMENTS.

HAVERLY'S MINSTREL, NEXT THURSDAY.

Col. Jack Haverly, through his long career as a minstrel manager, always earnestly strove to maintain in his organization the highest musical standard, both vocal and instrumental. Ordinary singers and mediocre musicians never satisfied the ideals of Haverly's. Mr. Nankeville, who now controls the company, and who is himself a musician and composer, is quite as much of a "strickler" for musical excellence.

Mr. Wilson, the recognized minstrel king of the universe, is the star of the famous Haverly Minstrel Company. This season he presents as his band leader Frances Sutherland, a musician who as cornet soloist and assistant conductor of Dan Godfrey's famous British Grenadier band, made his name known both in England and America. In the selection of his band Mr. Sutherland has considered quality before everything else, evidence of which will be given when the Haverly plays street concerts during their forthcoming engagement here. The Haverly orchestra conductor is Prof. Claude Menke, who was once violin soloist of the celebrated Boston Symphony Orchestra, and a favorite pupil of the great virtu Ysaye.

The Haverly vocal soloists are all young men with fresh melodious voices, charming in solo and blending sweetly in ensemble. The performance promises a harmonious combination of music and merriment which should delight both the lover of the muse and the admirer of black-face mimicry. Their forthcoming appearance at the Grand is next Thursday night. Prices 25 cents to \$1. Seats on sale at Borland's Tuesday morning. Phone 159.
